### Business

In the course of the 1st quarter of the financial year 2008, Osiatis recorded sales of €60.2m. The growth figures, +1.1% with respect to the 1st quarter of the previous year, suffered from the delayed start of certain projects and from difficulties recruiting engineers of the right profile.

In France, sales remained stable, at €52.7m. This is an increase of +3.5% in IT transformation outsourcing, up to €43.4m, application developments with new technologies recording a drop of -12%, to €9.3m.

On the international front, the Group achieved sales of €7.5m, an increase of +7%, with Belgium and Austria displaying growth in double figures.

### Development & Prospects

In the course of this quarter, the Group obtained, in particular, two international contracts for IT transformation outsourcing with leading companies in the sector of Logistics and Transport.

Confident in its capacity to accelerate growth in the coming months, the Osiatis group has recruited 174 new employees in France since the beginning of the year.

**Next meeting:** publication of Q2-2008 sales on 29 July 2008, after the market closes.

Osiatis is one of France's foremost IT services companies specialised in IT transformation outsourcing and Application developments with new technologies.

The Group has a workforce of around 3,000 employees and is established in France, Belgium/Luxemburg, Spain and Austria.

Osiatis is listed on Eurolist by Euronext Paris - Compartment C (ISIN code: FR0004044337) and included in the MIDCAC and SBF SM indices.
